

Workshop at Greater Noida Extension Centre

A workshop on "GHG emissions from hydropower reservoirs and the application of the UNESCO/IHA GHG measurement guidelines" was inaugurated by Prof SC Saxena, Director, IIT Roorkee at its newly developed extension centre at Greater Noida on April 04, 2011. UNESCO/IHA Project issued the GHG Measurement Guidelines for Freshwater Reservoirs in July 2010. The application of the guidelines to a set of representative reservoirs will provide credible and standardized data and allow the development of tools to predict emissions.

Representative of various organizations like MNRE, CEA, NHPC, THDC, SJVN, CWPRS, NIH, NEERI, NIO, Doon University, Central Pollution Control Board, World Bank, etc. participated in this workshop. Ministry of Earth Science and Ministry of New and Renewable Energy and International Hydropower Association have sponsored this workshop of 2 days duration April 04-05, 2011. This workshop has been the first international activity in the Greater Noida Extension Centre of IIT Roorkee. Dr. Arun Kumar, Head AHEC, the Chairman, Dr. S K Jain, Vice Chairman WRDM and Dr. MP Sharma, Organising Secretary, AHEC of organising committee respectively welcomed the participants and foreign resource persons.

Special Report on SRREN

Intergovernmental Panel on Climate Change (IPCC) has brought out a Special Report on Renewable Energy Sources and Climate Change Mitigation (SRREN) on June 14, 2011. The report written in 2.5 years time by an international team of 130 experts, has the chapter on Hydropower authored by an international group of experts with Dr Arun Kumar, Head, AHEC as the Coordinating lead author. The report may be accessed at <http://srren.ipcc-wg3.de/report> and has been approved by the representatives of 194 countries.

Participation in Conferences / Workshops / Seminars / Symposiums

- Prof Praveen Kumar of CMI Engineering Department presented a key note paper REINFORCED FLY ASH SUB-BASES IN RURAL ROADS in NATIONAL WORKSHOP "UTILIZATION OF FLY ASH" on June 10, 2011 at SVNIT Surat, Gujarat.
- Dr. Renu Bhargava, Professor Department of Civil Engineering participated in the Twenty-Sixth International Conference On "Solid Waste Technology and Management" organized by the journal of solid Waste Technology and Widener University at Philadelphia (PA), USA and presented a paper on, "Comparative Study on Indigenous and Exotic Earthworms during Integrated Waste Management Through Vermitechnology", March 27th-30th 2011.
- Dr. Arun K. Saraf, Professor, Department of Earth Sciences was invited by the organizing committee of the 5th SASTech symposium held in Mashad, Iran during 12-14 May, 2010 to deliver keynote paper entitled "Advances in Remote Sensing and GIS Technologies in Earthquake Studies".
- Dr. G.P. Chaudhari, Assistant Professor, Department of Metallurgical and Materials Engineering delivered an invited talk at the 37th IWS seminar at the Institute for Materials Science and Welding, Graz University of Technology, Graz, Austria. He delivered a talk on "Studies on multi-axially forged ultrafine grained plain carbon steels" on June 21.

 - Panel Expert for Kosi Bandh Katan Judicial Enquiry Commission, constituted by Govt. of Bihar, 2011.
 - Member of Core Group on Climate Change Related to National Water Mission, State Water Resources Agency, constituted by Govt. of Uttar Pradesh, 2011.
 - Member of Committee on water harvesting projects for Ranthambhore Tiger Reserve, constituted by Govt. of Rajasthan, 2011.
 - Member of Working Committee of Experts (WCE) for Upgradation of Flood Hazard Profile in Bihar, constituted by National Disaster Management Authority of India, 2011.
- Dr. Vinay K Nangia, Professor & Head Department of Management Studies has been nominated by the Government of India. Ministry of Micro, Small and Medium Enterprises in the MSME Sectoral Innovation Council as part of agenda of Prime Minister for the Decade of Innovation 2010-2020 vide Government Order No. 12(8)/2010-SSI(P)-1 dated 25th May, 2011

NOTIFICATION

Estt.(A)/195/E-4759(Notification) dt. 31 May, 2011

The Director is pleased to appoint the following :

- Dr. S.P. Gupta, Professor, Department of Electrical Engg. and Dean, Alumni Affairs is appointed Dean, Greater Noida Extension Centre (GNEC) in addition to his above mentioned existing responsibilities with immediate effect and upto 31st December, 2012.
- Dr. P.K. Jain, Professor, Department of Mechanical & Industrial Engg. and Prof.-in-Charge, Training & Placement is being appointed Prof.-in-Charge (GNEC) in addition to his above mentioned existing responsibilities with immediate effect and upto 31st December, 2012.

Estt.(A)/196/E-4759(Notification) dt. 31 May, 2011

- The third Campus of IIT Roorkee, the Greater Noida Extension Campus (GNEC) has started functioning. Dean (GNEC) and Prof.-in-Charge (GNEC) have been appointed. To oversee and coordinate the overall development and functioning of GNEC, the Director is pleased to appoint the following Coordination Committee with immediate effect :

1. Prof. Surendra Kumar, Professor, Chemical Engg. Deptt and Dean (Academic Research)	Chairman
2. Dean (GNEC)	Member
3. Dean (F & P)	Member
4. Dean (Academic Studies)	Member
5. Head of Continuing Education	Member
6. Prof.-in-Charge (GNEC)	Member
7. Chairman (E & W)	Member
8. Institute Engineer/Superintending Engineer	Member

- The following Coordination Committee is constituted to plan and coordinate all academic activities at the GNEC Campus :

1. Prof.-in-Charge (GNEC)	Coordinator
2. All Head of Departments/Centres (academic programmes being planned and run at GNEC)	Member
3. All Course Coordinators of Department (Courses being planned and run at GNEC)	Member

Retirement (May-June 2011)

- 1- Dr. D. K. Mehra, Professor, E. & C. E.
- 2- Dr. R. C. Joshi, Professor, E. & C. E.
