

**EDUCATIONAL TECHNOLOGY CELL**  
**INDIAN INSTITUTE OF TECHNOLOGY ROORKEE**

No. ETC/NPTEL Online/978

Dated: 04.01.17

**ALL FACULTY MEMBERS OF THE INSTITUTE**

**Subject: Invitation of proposals for NPTEL Online Certification Courses for undergraduate/postgraduate students.**

Proposals are invited from faculty members of various departments for organizing NPTEL Online Certification Courses to be conducted during the July 2017 by E. T. Cell. Under this Programme, open online course are offered through the portal <https://onlinecourses.nptel.ac.in> along the lines of the hugely popular MOOCs. The course should be for undergraduate/postgraduate students of technical university/college. Each course is followed by an in-person proctored exam conducted in select cities all over the country. While enrollment to the course and learning is free, the exam has a registration fee to cover the operational costs. Students who register and write the exam will receive a certificate from Centre for Continuing Education of the institute offering the online course.

The duration of the course offered can be of 3 types: 10 hours (4 weeks), 20 hours (8 weeks) and 30 hours (12 weeks). The course runs are being aligned to the semesters of the colleges and it is suggested to complete the video recording of the course before 15 May 2017.

The certificates dispatched are of 4 types based on examination.

- <40% : Certificate will not be issued to the student
- 40%-59%: Successfully completed the course
- 60%-89%: Successfully completed +Elite tag
- >=90%: Successfully completed + Elite + Gold medal

Proposals are invited from faculty members in the filled proforma attached herewith to be submitted to the Educational Technology Cell, IIT Roorkee office latest by **February 10, 2017** through the respective Head of Deptt./Centre. The honorarium for the conduct of the course shall be according to the NPTEL approved payment norms as below.

<b>Number of hours of course content</b>	<b>10 hrs.</b>	<b>20 hrs.</b>	<b>30 hrs.</b>
Creation of new course content	1 lakh	2 lakhs	3 lakhs
