

Talk on "**Indian Pharma needs Deeper Engagement with the IITs to Make Global Impact**" organised as part of the institute corporate lecture series by **Dr. Amit Biswas (Ex. Global R&D head, Dr. Reddy's laboratories)** followed by a panel discussion led by **Dr. Pankaj Doshi (Pfizer Inc.)**

**Date: December 5, 2018**

**Time: 4 PM**

**Venue: Chemical Engineering Auditorium**

**High tea will be served before the event**

The poster features a yellow top section with the CIG logo (Corporate Initiative Group) and the SRIC logo (Sponsored Research & Industrial Consultancy). The central text reads "CORPORATE LECTURE SERIES" in large bold letters, followed by "On India Pharma needs Deeper Engagement with the IITs to make Global Impact". A circular portrait of Dr. Amit Biswas is centered in a hexagonal frame. The bottom left section is black with white text detailing the venue, date, and time. The bottom right section is yellow with contact information for CIG, including an email address, phone numbers for Prof. Prateek Jha and Maggie, and a Facebook link.
