

TIDES Business Incubator IIT Roorkee

No. TIEDS/2018-19/IITR/006

Date: May 4, 2018

Project to Product (P2P):

- An Opportunity to convert your final year project/dissertation outcome into tangible marketable product during the semester break. Supported by the proposed Design Innovation Centre (DIC), Tinkering Lab and TIDES IITR.

Who can Apply:

- Final year B Tech/Dual Degree/M Tech students who are in process of submitting their Project Reports/ Dissertation during May-June 2018.

How to Apply:

- Submit your ideas/proposals through email with subject "P2P 2018" to Dr Rajat Agarwal at rajatfdm@iitr.ac.in with copy to tides@iitr.ac.in in format below in single word/pdf file latest by May 20th 2018.
1. Name, Email, Mobile no. of student (s) members
 2. Brief description of project outcome including novelty, need analysis and market opportunity (300-400 words)
 3. Figures of final outcome
 4. Details of the faculty supervisor(s) with email

Support provided:

- Technical mentorship, lab space, and financial support (through proposed DIC) for developing prototypes.
- Developed prototypes may further be considered for IPR support and pre-incubation at TIDES IITR.
