

**ACADEMIC AFFAIRS OFFICE
INDIAN INSTITUTE OF TECHNOLOGY ROORKEE**

No. Acd./333/Senate-85

Dated: January 06, 2021

NOTIFICATION

Subject: Autumn Semester 2020-21 completion plan for all students (excluding UG I year) and revised Academic Calendar.

The Autumn Semester 2020-21 completion plan for all students (excluding UG I year) as per the resolution of Senate (85th meeting, under Item No. 85.1) and IAPC (96th meeting, under Item No. 96.2.1) is as under:

1. Online examination is the most suitable option available for conducting the End Term Examinations due in January 2021. Depending on the size of the class, the nature of the course contents, and the views of the students registered in a course, the course instructor may decide the choice of platform, application, mode of ETE etc.
2. The duration of examination should be minimum of two hours and maximum of three hours. The window of ETE schedule to be extended till Feb 02, 2021 (i.e. Jan 20- Feb 02, 2021).
3. No change in the already declared weightages (CWS including practicals if any: 50-60% and ETE: 40-50%). If desired to conduct viva-voce, it should be part of CWS and to be announced in advance by the faculty member.
4. Although many lab courses were shifted to the spring semester, if some lab-oriented course is running this semester, it can be completed using online methods/demonstrations, viva-voce, written examination etc. However, if there is a field/lab course which may be difficult to complete meaningfully using only online tools, the concerned department should approach IAPC for a solution.
5. If a student feels the need, she/he is free to take the help of any institute or entity in his/her neighbourhood for taking the examinations.

The revised Academic Calendar for all students (excluding UG I year) for the Autumn Semester 2020-21 is attached as **Appendix-A**.
