### FUND RAISING FOR PAYMENT OF STUDENT FEES

Prof. S.C. Handa

Sometimes ago, Prof. S.C. Handa arranged the sponsorship of fees of 15 students of our school through donations while fees of 5 students were arranged by the school teacher, Mrs. Neelam Madhok. During the beginning of this new session, few parents approached Prof. Handa for sponsorship of fees of their children as they were unable to pay the same due to COVID-19 crisis. Prof. Handa with the consent of the patron and the management committee of the school floated a fund raising campaign among his relations, friends and students. With the grace of God the fee sponsorship commitments for next 1 year for all the remaining 67 students were received within a short period of 1 week only.

So far, the payment of sponsorship fees to the tune of Rs. 6.87 Lakhs has already been received by the school as donations. Now all the 87 students studying in the school will be receiving free education in Anushruti. The special contribution of Ms. Akansha Jain, Alumna of the Department of Management Studies (IITR) is highly appreciated.
