**ALL FACULTY MEMBERS OF THE INSTITUTE**

**Subject: Invitation of proposals for NPTEL Online Certification Courses for undergraduate/postgraduate students.**

Proposals are invited from faculty members of all the departments/Centre for organizing NPTEL Online Certification Courses to be conducted during the semester starting from January 2019. Under this Programme, open online course are offered through the portal <https://onlinecourses.nptel.ac.in> along the lines of the hugely popular MOOCs. The course should be for undergraduate/postgraduate students of technical university/college. Each course is followed by an in-person proctored exam conducted in select cities all over the country. While enrollment in the course and learning is free, the exam has a registration fee to cover the operational expenses. Students who register and write the exam will receive a certificate from Centre for Continuing Education of the institute offering the online course.

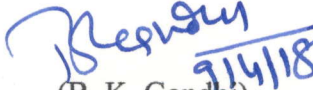

The duration of the course offered can be of 3 types: 10 hours (4 weeks), 20 hours (8 weeks) and 30 hours (12 weeks). The course runs are being aligned to the semesters of the colleges. The video recording for a course will start from 1 May 2018 and expected to complete by 30 September 2018.

We have two well-equipped studios. Each studio have professional HD Cameras and recorders with Wacom interactive display and tablet for high quality video recording. One of the studios is a classroom with sitting capacity of 40.
