

Indo German Workshop on Mobility Design (Theme: Campus Mobility)

Workshop Schedule

Faculty: Gaurav Raheja. Peter Eckart .Julian Schwarze

Day 1. Friday, **01 March**, 2019

Inaugural Session 09.30 - 10.15 hrs

Tea Break 10.15 - 11.00 hrs

Session I 11.00 - 13.00 hrs

Design Perspectives

Study Design in Offenbach
Insight into the studies at the University of art in design in Offenbach.

Theory at the University of Art and Design Offenbach
What is the product language of Offenbach?

Mobility at Frankfurt and Offenbach
An insight into our everyday life with regard to mobility and infrastructure

Participant Tasks / Activity

Mobility Perspectives on IIT Roorkee Campus – Information Design and Street Infrastructure
Identification of Campus Mobility Hotspots, Challenges, Reconnaissance Maps for information/zone design

Lunch Break 13.00 - 14.00 hrs

Session II 14.00 - 16.00 hrs

Design Process

Unit-Design office
Orientation, information and communication within spaces.

CrossFlow_Experience / 30 Seconds
Designing and analyzing a subway station in Frankfurt.
Presentation of the last semester project of Prof. Peter Eckart
In cooperation with DB (Deutsche Bahn {german train service})

Participant Tasks / Activity

Development of Information Structures for Mobility Trips / Experience(s) on campus
Order, Filtration, Formulating terms and statements like Wayfinding, Orientation, etc.
Identifying Mobility design interventions of interest at the different spots at the campus

Tea Break	16.00 - 16.15 hrs
-----------	-------------------

Session III Design Research	16.30 - 18.30 hrs
--	-------------------

What is mobility design?
How can mobility design influence our mobility?

project-mo.de
Interdisciplinary research in design

Virtual- and Augmented Reality in Design Process
What are the advantages of experiencing a design yourself?

Participant Tasks / Activity

Storyboards, Mockups, Visual Concepts for Campus Mobility Interventions

Day 2. Saturday, **02 March**, 2019

Session IV Design Visualization	09.00 - 11.00 hrs
--	-------------------

Refining mockups, hand on / digital visualization
Redo and continue work
Preparing Presentation
Review Discussions

Tea Break	11.00 - 11.15 hrs
-----------	-------------------

Session V Design Review and Presentation(s) by Participants	11.30 - 13.00 hrs
--	-------------------

Final presentations by Participants/Groups

Lunch Break	13.00 - 14.00 hrs
-------------	-------------------

Session VI Feedback and Valedictory	14.00 - 15.00 hrs
--	-------------------

Tea Break	15.00 - 15.30 hrs
-----------	-------------------
