## **Regional Coordinating Institute (RCI) Quarterly Progress Report**

This Quarterly Progress Report provides the details of activities carried out by the Regional Coordinating Institute, Unnat Bharat Abhiyan, Indian Institute of Technology Roorkee, from January 01, 2022 to March 31, 2022. The RCI, UBA, IIT Roorkee organized the following activities:

<b>Sl. No.</b>	<b>Date</b>	<b>Meetings/Webinars /Workshops</b>	<b>Keynote Speaker</b>
1.	January 13, 2022	UBA Meeting with PI Coordinators	
2.	January to March 2022	Report of Telemedicine App	

## Minutes of Meeting of RCI, UBA-IIT Roorkee and Pls Coordinators of Uttarakhand & West U.P. on January 13, 2022, at 3:00 PM

UBA Regional Coordinator's Name: Prof. Ashish Pandey

The Regional Coordinating Institution, Unnat Bharat Abhiyan, IIT Roorkee organized a web-based meeting with Pls Coordinators of Uttarakhand and West U.P. region on January 13, 2022, through the Cisco WebEx virtual platform at 3.00 PM.

**Attendees:** The meeting was attended by 42 coordinators of the participating institutes (Pls) of the Uttarakhand and West Uttar Pradesh regions. The participant's list is attached as Annexure - I

**Purpose:** This meeting aimed to discuss UBA Activities & the implementation of Govt. Policies in the adopted villages with the Coordinators of the Participating Institutions (Pls) of Unnat Bharat Abhiyan.

### The Agenda of the Meeting:

1. To motivate villagers about the prevention of the COVID 19 virus.
2. To create awareness on vaccination, those who have not taken the vaccination yet)
3. About the work progress in the adopted villages.
4. To discuss organic farming.
5. Submission of the progress report to RCI
6. Projects /Initiatives can be submitted the following
  - Handmade Mask making project
  - Organising the medical camp project
  - Swachh Bharat Abhiyan initiatives, personal hygiene, open defecation hazards, health and hygiene camps
  - Computer literacy program on all on-line facilities for educated rural people
  - Life Skill Development Program for the students of Government Boys Higher Secondary School
  - Simple repairs of home appliances for self-help groups.
  - Plastic Waste Management: Awareness on "Plastic waste", "distribution of cloth bags" and "waste plastic to recyclers".
  - Women's self-help group highly motivated for this supportive business, Automatic encouraging for organic farming and digital banking.
  - Installation of Automatic Sanitary Napkin vending machine to all villagers.
  - Technology Reach to Village Students-  
Major Impact - The school students showed interest in learning computers, they now easily make use of computers for basic operations.

## Report on “UDAAN” Outreach Tele Health Consultation Model ”

“UDAAN” An Outreach TeleHealth Consultation Model” was launched on 16 October 2021 in joint collaboration of Social Outreach cell AIIMS Rishikesh and IIT Roorkee under the flagship program of Unnat Bharat Abhiyan.

“Outreach telehealth consultation model” through digital platform A unique approach to dealing with primary health care in Remote Uttarakhand

The aim of this model is not only to impart therapeutic care but rather to address the quarries, concerns, and worries of the rural and remote population through qualified medical experts. We have witnessed the role of medical experts during the acute crisis of the COVID-19 pandemic. The entire system was undergoing the panic stage, to deal with this stage, this technology telehealth consultation might help to alleviate their issues and challenges.

Under the leadership of Nodal officer AIIMS Rishikesh Dr. Santosh Kumar, this program was successfully able to cater the services to people in need in the outreach area of Hilly Uttarakhand. Senior consultant and specialist from AIIMS Rishikesh consulting outreach patients through this software, addressing their quarries and concerns.

Feedback from the patients treated through teleconsultation through social outreach staff was also found satisfactory.

### Objectives

1. To provide telehealth consultation to the hard-to-reach areas, rural populations where the health facilities are not available, even the poor network access.
2. To ease out the assesement to the health care during the covid 19 pandemic.
3. To strengthen primary health care through the equipped telemedicine consultation.

Below mention is the list of beneficiaries and specialists of AIIMS Rishikesh who could spare their valuable time to consult most needy and vulnerable population of Hilly Uttarakhand and provided utmost primary care for their wellbeing.

	Specialty of Consultation	No. of patients Consulted	Diagnose	Remote Villages	Total no of Patients Benefited %	Total No of Provided Consultation at Home %	Outcome	Remark
01	Physician / Dabetology	80	Hypertension, heart disease, headache, B.P diabetes,	Kotmallah,(Rudra prayag Distt) Sunderkhal( Nainital distt) Shyampur, Ranipokhari, Raiwala,	60%	30 %	Now After taking medicines, there is a relief	4 Patients were consulted in the Hospital

02	Orthopedic	70	Osteoarthritis, Osteomalacia, Knee joint Pain, Lower back pain, Cervical Pain, Shoulder Pain.	Himmatpur,( Nainital Distt) South(Paudi Garhwal) Sunderkhal ( Nainital )Kotagi, Shyampur Rishikesh	55 %	20 %	Health is already Improving	5 Patients were consulted in the Hospital
03	Pulmonary Medicine	30	Chronic Obstructive Pulmonary Disease, Breathlessness, Reflux Disease, Angina Chest Pain	Gram Patrani ( Ramnagar, Nainital)	50 %	45 %	There is a lot of improvement in health now.	2 Patients were assisted and consulted to the specialist in the Hospital
04	Paediatric	25	Sore throat, Abdominal pain, thyroid, headache	Kotagi ( Distt Rudrapur )	60%	20 %	After Counseling patients are taking medicine	2 Patients were consulted in the Hospital
05	Gynaecology	35	Severe abdominal pain, Appendicitis, Uterine fibroids, Vaginal discharge , PID chlamydia, gonorrhoea,	Shyampur Rishikesh	80 %	40%	After Counseling patients are taking medicine	Patients were called to the hospital for health check-up

## Live consultation with the patients through Telemedicine App

**January 2022**

**UBA Coordinator's Name: Dr. Bhanu Prakash Vellanki**

**Email: [bhanuprakashv@ce.iitr.ac.in](mailto:bhanuprakashv@ce.iitr.ac.in)**

**Phone Number: 01332-284832**

Sr. No.	ADOPTED VILLAGES	TALUKA	DISTRICT
1	Beladi-Salhapur		Haridwar/Dehradun
2	Chandpur-Horawala		
3	Chharba		
4	Meerpur-Muwazapur		
5	Puranpur-Salhapur		

**List of Activities:**

UBA activities at IIT Roorkee are student-driven. Around 130 students are actively involved in carrying out different initiatives in the five adopted villages. The following report contains the data of activities conducted in the adopted villages in January 2022.

**ACTIVITY 1:**

**Name of Activity:** SHG formation Initiative (Initiative in village Chandpur)

**Need for the Activity:** To help financially deprived families by formation of a SHG.

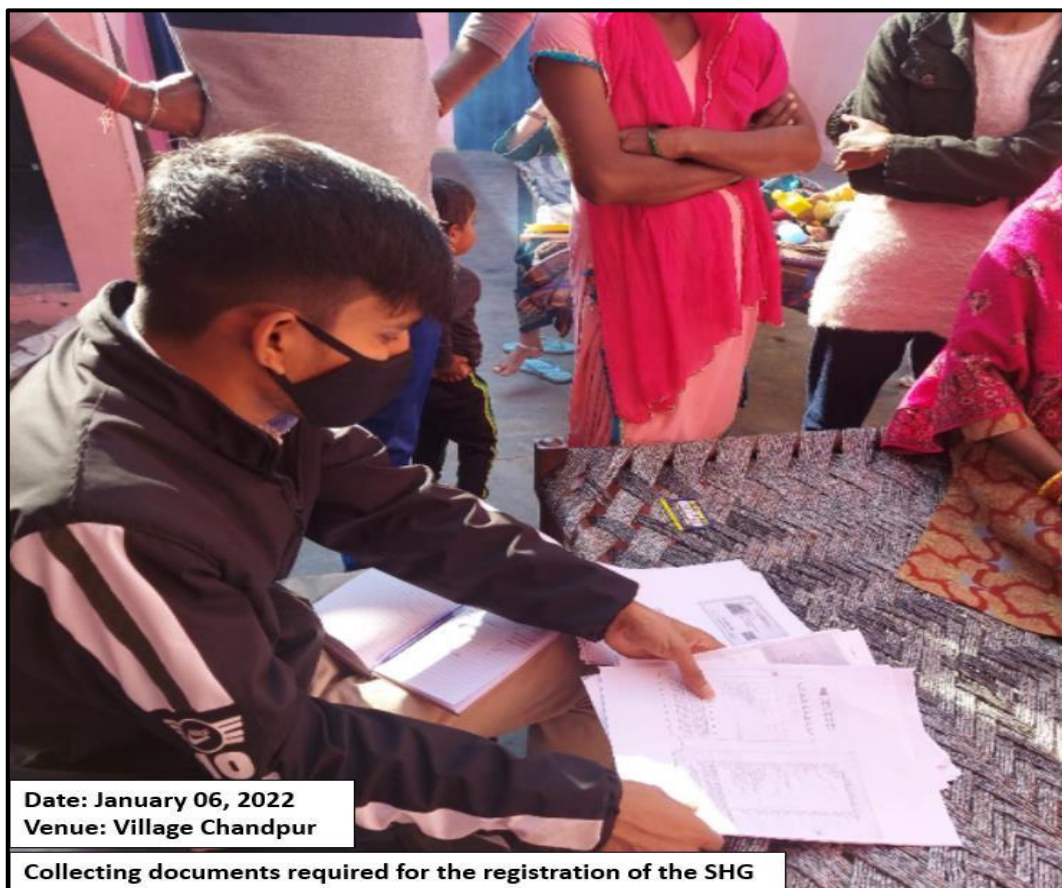

**Description:** With the aim of empowering women in the rural society, this initiative involved enrolling needy and financial deprived women in the village to come together and form an SHG. By the formation of SHG, the women can collectively run a business and help their families. The team contacted the women one by one and provided them with complete information of the procedure and method of enrolment for the SHG. They were also told that after the formation of the SHG, they will be trained after which the women can run their own business and aim to become financially stable. All documents required were submitted in the office and now the training of the women will commence in short span of time.

Date: January 04, 2022  
Venue: Village Chandpur

Explaining the women about SHGs and how this can help them financially

Date: January 06, 2022  
Venue: Village Chandpur

Collecting documents required for the registration of the SHG

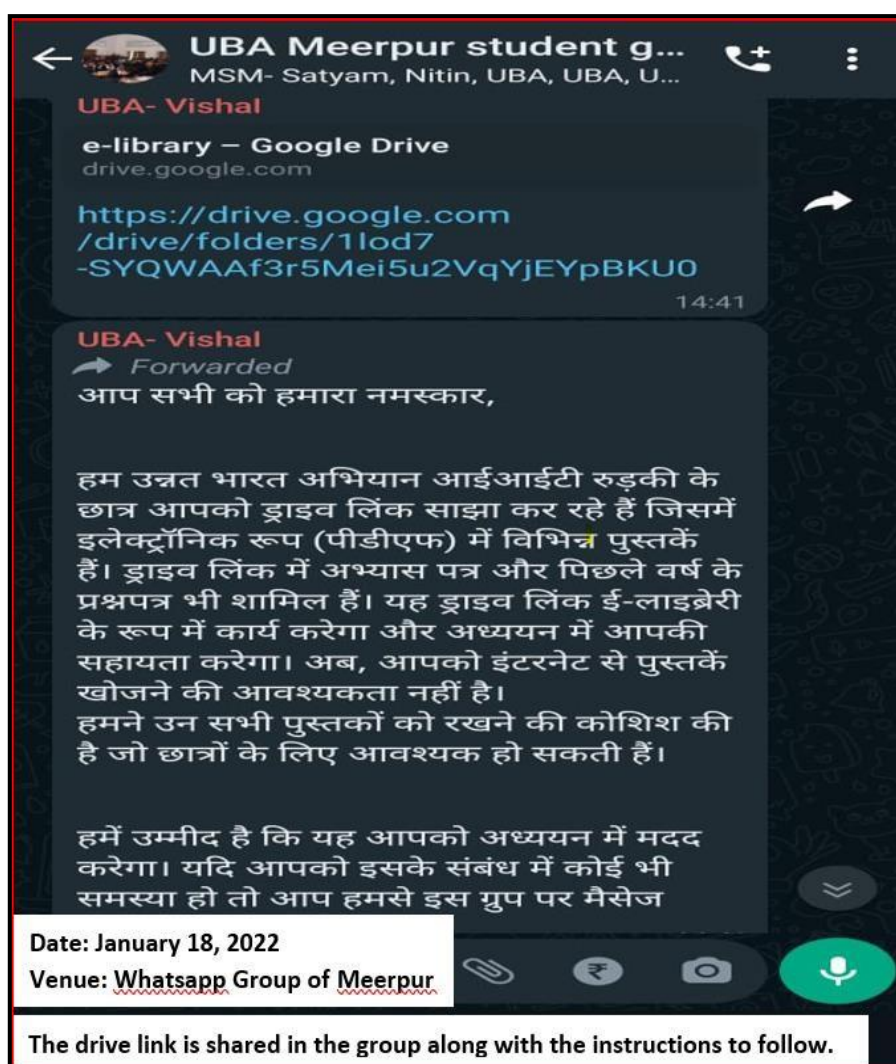

## ACTIVITY 2:

**Name of Activity:** Yoga Awareness and Practice Initiative (Initiative in village Meerpur)

**Need for the Activity:** The aim is to help the students to get access of the desired books they need. Upon surveying, it was analyzed that they had to research a lot to find the needed resources.

**Description:** The team upon surveying, analyzed that the students have to struggle a lot to get the desired books and they sometimes lag behind due to lack of resources. To solve this issue, the team members searched the desired books and provide to students in pdf format. The team created a drive link to easily find and categorize the books. The drive link consisted different types of books like reading books, course books in Hindi as well as in English. It also had some previous year question paper of JEE, NEET etc. After sharing the link in the WhatsApp Group with the instructions, the team member called the students to tell them about the drive.

### ACTIVITY 3:

**Name of Activity:** Vermicomposting Initiative (Initiative in village Chharba)

**Need for the Activity:** To promote and inculcate organic farming ways among the villagers and to provide them a better alternative to fertilizers.

**Description:** Intending to promote ways of organic farming among farmers and making them independent for manure used, UBA team Chharba contacted the villagers and explained them how organic farming can increase the overall produce gradually over the years. Later, 2 farmers agreed on building a vermicompost pit in their field. The team helped in setting up 10 ft long, 3 ft wide and 2 ft deep vermicompost bed in the field and point-sourced the ingredients required for preparation of vermicompost. The team will provide the villagers with the worms required on the next village visit.

**Phone Number: 01332-284832**

Sr. No.	ADOPTED VILLAGES	TALUKA	DISTRICT
1	Beladi-Salhapur		Haridwar/Dehradun
2	Chandpur-Horawala		
3	Chharba		
4	Meerpur-Muwazapur		
5	Puranpur-Salhapur		

**List of Activities:**

UBA activities at IIT Roorkee are student-driven. Around 130 students are actively involved in carrying out different initiatives in the five adopted villages. The following report contains the data of activities conducted in the adopted villages in February 2022.

**ACTIVITY 1:**

**Name of Activity:** RTE Survey (in village **Beladi**)

**Need for the Activity:** To make sure that every child gets the benefit of Right to Education Act (RTE).

**Description:** Right to Education Act (RTE) is an Act of the Parliament of India enacted on 4 August 2009, which describes the modalities of the importance of free and compulsory education for children between the age of 6 to 14 years in India under Article 21A of the Indian Constitution. UBA IITR team had visited the Beladi village and identified the children who fulfilled the above criteria's and asked their parents to arrange some important documents like Aadhar Card of Child and parents, Birth Certificate of Child, Parents' Annual Income Certificate and hand it over to the team as soon as possible, so that the certificates will get uploaded in proper time to avail the scheme of RTE. And for this, 1y members of UBA had called the parents for cross checking that whether the documents are ready or not. If the documents were ready, they had given the names of intermediate person who would collect the documents and hand it over to the team in campus, whereas if the documents were not ready, they had informed the parents about the desired places from where they could get those documents ready and finally hand it to UBA team

## ACTIVITY 2:

**Name of Activity:** FFC "friends from campus" Initiative (in village **Chharba**)

**Need for the Activity:**

**Description:** FFC "friends from campus" is long term initiative in which team UBA students will teach and do doubt solving of many subjects of weak and needy students of schools. Presently team is focusing on one subject (maths) and less students (class 8 only). And for that team conducted two online doubt solving classes of English (February 19, 2022) and Maths (February 13, 2022) with the students. So, team have gathered some important insights and up next team will be focusing on students' weak topics and further extending it to other subjects and more students.

## ACTIVITY 3:

**Name of Activity:** Computer Installation Initiative (in village **Chandpur-Horawala**)

**Need for the Activity:** To install computers in Government Inter College for better education of the students and teacher training programs.

**Description:** On discussion with Mr. Negi, principal of Government Inter College (GIC), Horawala, the team found out that the number of computers installed in the school wasn't sufficient for the students. Along with this, GIC, Horawala is the centre of the teacher training program and computers were not sufficient for the training. Also, the number of students was going to increase in the school from 250 to 500, so the team decided to increase the number of computers in the school. Mr. Kinshu collaborated with department authorities and consult them regarding spare computers of IIT Roorkee. All the spare computers were collected in the UBA IIT Roorkee office. Later, the team checked all the computer systems and found that 7 computer systems were in good condition. Then, the team properly placed those computer systems safely in a vehicle and transported them to GIC, Horawala. After reaching school, we installed the computers in the school and cross-checked their working after the installation. The school authorities were very happy with the initiative and thanked UBA for giving those computers. Mr. Negi, Principal of GIC, Horawala, also thanked us for the initiative and praised UBA IIT Roorkee and told us that he will help UBA team as much as possible for the development of the school. The number of computers in the school has increased from 8 to 15. More students can now learn at the same time enabling more frequent computer classes for a batch.

Date: February 20, 2022  
Venue: GIC, Horawala

Mr Negi, principal of GIC, Horawala, discussing the situation of computer classes in the school.

Date: February 20, 2022  
Venue: GIC, Horawala

Mr Kinshu and Ms Ani checking the computers after installation in GIC, Horawala.

#### ACTIVITY 4:

**Name of Activity:** (initiative in **Puranpur** and **Meerpur**)

**Need for the Activity:** To get an extensive idea about the problems faced by the villagers in order to find respective solutions.

**Description:** Unnat Bharat Abhiyan, Indian Institute of Technology, Roorkee had organized a training seminar for SHGs (Self Help Groups) on February 23, 2020. It was an informative session for SHGs of Puranpur and Meerpur collectively. It was done with the help of RSETI officials who gave the information about different kinds of trainings to SHGs. The session saw participation of 55+ SHGs and village women from Meerpur and Puranpur. Most of them were from SHGs. The Seminar started with the introduction of UBA and RSETI. Mr. Rajan Bhardwaj and Ms. Maryada introduced team UBA and RSETI's functioning to the participants. The session was concluded by giving vote of thanks to RSETI officials and motivation to participants to take trainings as much as they can to improve their livelihood and efficiency.

Date: February 23, 2022  
Venue: BR Ambedkar Hall

Mr Abhishek and Mr Pratyaksh collecting information of interested women.

Date: February 23, 2022  
Venue: BR Ambedkar Hall

UBA team members with RSETI officials in B.R. Ambedkar Hall, Puranpur.

Date: February 23, 2022  
Venue: BR Ambedkar Hall

## UNNAT BHARAT ABHIYAN

### INDIAN INSTITUTE OF TECHNOLOGY ROORKEE

#### PROGRESS REPORT

March 2022

UBA Coordinator's Name: Bhanu Prakash Vellanki

Email: [bhanuprakashv@ce.iitr.ac.in](mailto:bhanuprakashv@ce.iitr.ac.in)

Phone Number: 01332-284832

Sr. No.	ADOPTED VILLAGES	TALUKA	DISTRICT
1	Beladi-Salhapur		Haridwar/Dehradun
2	Chandpur-Horawala		
3	Chharba		
4	Meerpur-Muzawarpur		
5	Puranpur-Salhapur		

#### List of Activities:

UBA activities at IIT Roorkee are student-driven. Around 130 students are actively involved in carrying out different initiatives in the five adopted villages. The following report contains the data of activities conducted in the adopted villages in March 2022.

#### ACTIVITY 1:

**Name of Activity:** Holi Stall Initiative (Initiative in village **Chandpur**).

**Need of the Activity:** Upon surveying it was found that the SHGs were not able to find a suitable market for their local handmade colours. The initiative was also carried out to empower rural women and make them self-reliant.

**Description:** Team Unnat Bharat Abhiyan, IIT Roorkee, in association with the Self-Help Groups (SHGs) of villages Chandpur and Horawala organised 'Holi ke Rang- an Organic Colour Stall' for the campus residents. The main objective of the stalls was to solve the problem of market for the local homemade products. The stalls hosted appealing organic-homemade *gulal* of various colours at pocket-friendly prices. The overall response from the campus was overwhelming. The sheer number of visitors and their keen interest towards the idea was inspiring for the SHGs. These initiatives play an extraordinary role in developing the confidence of the SHG members and fostering a sense of self-belief, along with providing them with a platform to showcase their talent.

## ACTIVITY 2:

**Name of Activity:** DDU-GKY Campaign initiative (Initiative in village **Chharba**).

**Need of the Activity:** To effectively tackle the problem of unemployment of youth in the village and spread awareness about the *Grameen Kaushalya Yojana*.

**Description:** *Grameen Kaushalya Yojana* or DDU-GKY is a Government of India youth employment scheme. In which eligible rural people are trained with some skills to get jobs. Team UBA, in association with Dev Rishi Educational Society organised an awareness campaign to aware and enroll the youth. The camp was done in Santoshi Mata *Mandir* (later GIC chharbha) with Mrs. Alka Joshi (SHG Head) and Mr. Aamir Khan (Pradhan) as chief guests. The awareness campaign showed an impressive turnout and a large number of students of GIC Chharba were present at the venue. The chief guests addressed the audience and emphasized upon the importance of acquiring a good skill set to find a stable job.

Date : March 26, 2022  
Venue : GIC, Chharba

The students of GIC Chharba attending GKY campaign.

### ACTIVITY 3:

**Name of the activity:** Vermicomposting Initiative (Initiative in village **Beladi**)

**Need for the activity:** To come with organic alternatives to the harmful chemical fertilizers that cause soil infertility, and to spread awareness about the benefits of using vermicomposting.

**Description:** Vermicomposting is the process by which worms are used to convert organic materials (usually wastes) into a humus-like material known as vermicompost. Agriculture based only on chemical fertilizers and other chemical inputs is not desirable because constant use of such inputs causes soil infertility and affects productivity.

To solve this problem in the village Beladi, Team Unnat Bharat Abhiyan, IIT Roorkee decided to implement vermicomposting. The team initiated the cause by bringing some worms and testing them in the laboratory of IIT Roorkee. The results were phenomenal, worms replicated and formed good compost. After analyzing the results, the team brought the worms from Organic Pura Firm, a self-business in Unnav, and with the help of cattle dung from farmers successfully implemented the idea of vermicompost in the farms of Beladi.

Date : March 07, 2022

Venue : Beladi village

Vermi-composting is being done by the villagers and Team members.

#### **ACTIVITY 4:**

**Name of the activity:** Dental Health Camp Initiative (Initiative in village Meerpur)

**Need for the activity:** To examine, treat, and educate people about dental health and to get insights into the endemic diseases prevalent in various communities.

**Description:** The Team in association with Seema Dental College and Hospital organized the dental camp on March 26, 2022. The camp offered information on dental problems, cavities, caries, their treatment, prevention and precaution to all the villagers and students who attended it. To spread awareness of the Health Camp, the Team was divided into three groups, each with two members. Each group distributed pamphlets to villages and talked to the villagers about the camp as they campaigned door to door. The dental camp was successfully able to spread awareness about dental hygiene and dental care amongst the citizens of the village. It also motivated people to focus on their health and prioritize it.

Date : March 26, 2022  
Venue : Meerpur village.

Team members posing along with doctors of Seema Dental College and Hospital.

3	THEVA		
4	ASTHAL		
5	BACHET		

#### List of Activities:

#### ACTIVITY 1: Entrepreneurship development and self-help group - Sarkhet - 22/02/22

**Name of Activity:** Mushroom Cultivation Training / workshop

**Need of the Activity:** Villager are dependent on Traditional Farming for their Livelihood. Training will help them to earn additional Rs. 10-20000 per month after establishment of model unit. This area is also frequented by a huge number of tourist and so marketing of mushrooms would be easy.

**Description in 200 words (along with the Pictures):** A two-day workshop on the topic of employment prospects from mushroom production was organized under the “Unnat Bharat Abhiyan” of the Ministry of Education, Government of India, in Gram Sabha Sarkhet.

Inaugurating the workshop, Principal, Prof. Satpal Singh Sahni said that various self-employment-oriented schemes are being run by the Central and State Governments. He said that training of mushroom production can help villagers to start their own enterprises.

Dr. Anoop Badoni, Director of Plantica Foundation, explained in detail to the villagers as to how they can generate good income by producing mushrooms in less resources along with their traditional agriculture. He told the villagers in detail the method of producing button mushroom, and dhiganri mushroom. Scientist, Dr. Adarsh Dangwal explained in detail the method of prevention of diseases during mushroom cultivation.

Program coordinator, Dr. Madhu Thapliyal told that Gram Sabha can also commercialize it by self-help group by setting up a unit of rural mushroom production in Sarkhet. She told that its monitoring is done by the College's Unnat Bharat Abhiyan committee and student groups.

The chief guest of the program, Mrs. Neelam Kotwal, Gram Pradhan of Sarkhet, expressed her gratitude on behalf of Sarkhet Gram Sabha for this employment-oriented workshop organized for the villagers. She said that she will provide all the help needed to make this program a success.

During the program, members of Unnat Bharat Abhiyan Committee, Dr. Shruti Chaukiyal, Dr. Rekha Chamoli and Dr. Pooja Kukreti also established a dialogue with the villagers and updated them about this program. Student members present were Sanjana, Shivashin, Varsha, Varsha Solanki, Shwati, Rohit, Ankit, Ashish, Vikas, Sanjay, Pooja, and Diksha. Some of the villagers who participated were Soni Devi, Meena Ranwar, Sunita, Rakhi, Rajni, Pooja, Vijendra. Village Sarkhet is 4 Km far from Maldevta/Raipur. Several villagers and Gram Pradhan were among the participants. (Total number of participants – 50)

### उन्नत भारत अभियान के द्वितीय चरण में महाविद्यालय द्वारा ग्रामीणों को मशरूम उत्पादन का प्रशिक्षण

February 22, 2022

#### सरखेत में "मशरूम उत्पादन" से रोजगार की संभावनाएँ विषय पर कार्यशाला का आयोजन

देनको न्यूज़ इंडिया • 22 फरवरी 2022

**रायपुर (देहरादून)।** मंगलवार दिनांक 22 फरवरी 2022 को राजकीय स्नातकोत्तर महाविद्यालय मालदेवता रायपुर देहरादून द्वारा मानव संसाधन विकास मंत्रालय भारत सरकार के 'उन्नत भारत अभियान' के तहत ग्राम सभा सरखेत में 'मशरूम उत्पादन' से रोजगार की संभावनाएँ विषय पर एक दिवसीय कार्यशाला का आयोजन किया गया।

कार्यशाला का उद्घाटन महाविद्यालय के प्राचार्य प्रो० सत्यपाल सिंह साहनी ने किया। उन्होंने बताया कि केंद्र व राज्य सरकार द्वारा विभिन्न स्वरोजगार परक योजनाएँ संचालित की जा रही हैं, और बताया कि हमारे महाविद्यालय द्वारा विभिन्न ग्राम सभाओं में मशरूम उत्पादन की ट्रेनिंग दी जा रही है ताकि ग्रामीण अपने उद्यम शुरू कर सकें।

प्राचार्य फाउण्डेशन के निदेशक डॉ० अनूप बड़ोनी ने ग्रामीणों को विस्तार से बताया कि वे अपनी पारम्परिक कृषि के साथ-साथ कम खर्च में मशरूम उत्पादन कर अच्छी आमदनी कर सकते हैं। उन्होंने ग्रामीणों को बटन मशरूम, दीगरी मशरूम पैदा करने की विधि विस्तार से बताई। वैज्ञानिक डॉ० आदर्श डगवाल ने मशरूम की खेती के दौरान होने वाली बीमारियों के निवारण की विधि विस्तार से समझाई।

## PROGRESS REPORT

MONTH - March, 2022

### ACTIVITY 2: Entrepreneurship development and self-help group – Serki – 03/03/22

**Name of Activity:** Prospects of commercial trout fisheries development -Training / workshop

**Need of the Activity:** Maldevta area has a plethora of water resources and there are canal system that crosses these villages. These water resources can be very useful for development of commercial trout and other commercial fishers' development

**Description in 200 words (along with the Pictures):** A workshop was organized under Unnat Bharat Abhiyan of Government Postgraduate College Maldevta Raipur. In the workshop, Director of Fisheries Dr. HC Purohit, Director of Fisheries, Govt. of Uttarakhand, told the villagers in Serki village as to how they can increase their income by developing employment based on natural sources in Serki village area, apart from traditional agriculture. He also said that his department has several schemes for the farmers and farmers could develop capacity for fisheries very easily because of rich water resources in the area. This would also help farmers to increase their income. He also informed the farmers about the Kisan Credit Card being given by the government.

Dr. Purohit also told the villagers that by next year, Uttarakhand Fisheries Department would develop a cluster in Serki village and a circular unit would also be set up so that the villagers would be able to produce fish. This was message was received with enthusiasm by all the villagers. Dr. HC Purohit expressed his gratitude to Prof. Satpal Singh Sahni, Principal of the college and Dr. Madhu Thapliyal, who coordinated the program.

In his address, Professor Satpal Singh Sahni, Principal of the college explained as to how the villagers can strengthen their economy by doubling their income by adopting employment like fish production. He said that the number of government jobs are less and we have to look at other sources of income as well.

Program coordinator Dr. Madhu Thapliyal told that Unnat Bharat Abhiyan is such a program run by the Government of India, in which the college situated in the middle of rural areas, will work in harmony with the villages, to give them the knowledge and technical backup by which every villager can develop their own employment and become entrepreneurs. She explained that under this program, the college will act as a bridge and help in coordination between the villagers and various departments so that technology can reach the villages and help in improving economy at local level.

The Gram Pradhan of Serki village, Mr. Dinesh congratulated the principal of Govt. PG College, Maldevata Raipur, Prof. Dr. Madhu Thapliyal, coordinator and members of Unnat Bharat Team - Dr. Rekha Chamoli, Dr. Shruti Chaukiyal for giving useful and motivating information to the villagers and urged the director Dr. Purohit to take up the work in the village. He said that this program will also provide employment opportunities to the villagers.

रूस पर प्रतिबंधों का भारत पर खास असर नहीं: वायुसेना उप प्रमुख 13 भारतीय छात्र की मौत की जांच करवाएगा रूस 14

## मत्स्य उत्पादन से बढ़ेगी आमदनी

जागरण संवाददाता, देहरादून : मत्स्य निदेशक डा. एचसी पुरोहित ने सेरकी गांव में ग्रामीणों से कहा कि वह पारंपरिक कृषि से हटकर प्राकृतिक स्रोत पर आधारित स्वरोजगार अपनाकर अपनी आमदनी बढ़ा सकते हैं।

बुधवार को राजकीय स्नातकोत्तर महाविद्यालय रायपुर के तत्वावधान में सेरकी गांव में उन्नत भारत अभियान के तहत कार्यशाला आयोजित की गई। बतौर मुख्यअतिथि डा. एचसी पुरोहित ने कहा कि मत्स्य विभाग किसानों के लिए कई लाभकारी योजनाएं चल रहा है। गांव के आसपास बहुत आसानी से फंगासियस मछली का उत्पादन कर ग्रामीण अपनी आमदनी बढ़ा सकते हैं। उन्होंने सरकार की ओर

- मत्स्य निदेशक डा.एचसी पुरोहित ने सेरकी के ग्रामीणों को किया प्रेरित
- गांव में उन्नत भारत अभियान के तहत कार्यशाला का हुआ आयोजन

से दिए जा रहे किसान क्रेडिट कार्ड की भी जानकारी दी। उन्होंने कहा कि गांव के पास ही सौंग नदी बह रही है।

ऐसे में यहां मछली का उत्पादन करना बहुत आसान है। महाविद्यालय के प्राचार्य प्रो. एसएस साहनी ने ग्रामीणों को मत्स्य पालन से जुड़कर अपनी आर्थिकी को मजबूत के लिए प्रेरित किया। उन्होंने कहा कि

सरकारी नौकरियों में कमी आ रही है, ऐसे में हमें स्वरोजगार से जुड़ना चाहिए। कार्यशाला की समन्वयक डा. मधु थपलियाल ने बताया कि उन्नत भारत अभियान केंद्र सरकार की ओर से संचालित किया गया है। इसके तहत ग्रामीण क्षेत्र के बीच स्थित महाविद्यालय को गांव के साथ सामंजस्य बनाकर उनको ऐसी तकनीकी शिक्षा का ज्ञान देना है, जिसमें प्रत्येक ग्रामवासी अपना स्वयं का रोजगार कर सके। इस मौके पर अभियान की सदस्य डा. रेखा चमोली, डा. श्रुति चौकियाल आदि मौजूद रहे।

# नवाचार, उद्यमिता को प्रेरित करने के लिए बौद्धिक संपदा अधिकार के गुर सिखाएं

**एनपीटी ब्यूरो**

मेरठ। छात्रों में नवाचार उद्यमशीलता को प्रेरित करने के लिए उद्योग और आंतरिक व्यापार को बढ़ावा देने के लिए वाणिज्य और उद्योग मंत्रालय एवं इनांजिकल द्वारा बौद्धिक संपदा अधिकारों का मूल सिद्धांत विषय पर ऑनलाइन कार्यशाला का आयोजन

किया गया।

इस दौरान उद्योग और आंतरिक व्यापार को बढ़ावा देने के लिए विभाग वाणिज्य और उद्योग मंत्रालय से सहायक प्रबंधक डॉ विपिन कुमार ने छात्रों को आईपीआर के बारे में जानकारी दी। उन्होंने कहा कि आज के परिप्रेक्ष्य में बौद्धिक संपदा अधिकार का

महत्व बहुत बढ़ गया है।

बौद्धिक संपदा अधिकार के बारे में जानकारी प्राप्त कर विद्यार्थी अपने टैलेंट को अपने अविष्कार को नहीं पहचान दे सकता है। बौद्धिक संपदा के अधिकार के बारे में लोगों के बीच जागरूकता की जरूरत है। बुद्धि की शक्ति से हम कुछ भी बेहतर करने में सक्षम हैं। बौद्धिक

संपदा की उपयोगिता से

विश्व को फायदा मिल रहा है। लॉजिकल कंपनी के संचालक आशुतोष वशिष्ठ ने बताया कि ऐसे कार्यक्रम निश्चित तौर पर उद्यमिता के क्षेत्र में जाने वाले छात्रों के लिए सहायक होंगे। छात्रों को ट्रेडमार्क, कॉपीराइट पेटेंट आदि की जानकारी से भारत सरकार द्वारा कार्यक्रम स्टार्ट

अप योजना के लाभ के बारे

में बताया। इस अवसर पर एमआईटी ग्रुप के डायरेक्टर अरुण पावटे, एम आई टी इनक्यूबेशन फोरम के मैनेजर रेहान अहमद, एमआईटी आइ.पी.आर हेड रंजीत और इनोजिकल टीम से प्राची सिंघल, प्रांजल शर्मा, अभिषेक चौहान उपस्थित रहे।

### ACTIVITY 3:

**Name of Activity: Business Nari – Gramin Utthhan ki ek Pahal**

**Need of the Activity: Empowering Village Women; Enterprising Women; Self-Help Group Movement; Inspiring Leadership**

A program organized by MIET Incubation Forum (MIF) jointly with Meerut Institute of Technology, Meerut on the occasion of International Women's Day.

Women living in rural areas of India, who work in both skilled and unskilled labor sectors in remote parts of the country, have been able to assert their rights and demands through various means. They have sought credibility, independence and competitiveness for themselves within their community by using environmental concerns, socio-economic advancement and digital means effectively.

Self-help groups made women financially independent and created financial stability in their lives, which led them on the path of progress, but these were compared to the goals achieved by the Mahatma Gandhi National Rural Employment Guarantee Act (MNREGA) i.e. MGNREGA.

## महिलाओं को रोजगार देने आत्मनिर्भर बनने के लिए स्वयं सहायता समूह बेहतरीन योजना : एम.एल.व्यास

मेरठ। परतापुर बाईपास स्थित मेरठ इंस्टीट्यूट ऑफ टेक्नोलॉजी में नारी शक्ति उत्सव 2022 के तहत अंतरराष्ट्रीय महिला दिवस पर मेरठ उद्यमी फाउंडेशन द्वारा "बिजनेस नारी- ग्रामीण उत्थान की एक नई पहल" कार्यक्रम का आयोजन किया गया। कार्यक्रम का मुख्य उद्देश्य ग्रामीण क्षेत्र में महिलाओं को व्यापार के अवसर प्रदान करके उनको आर्थिक रूप से मजबूत बनाना रहा। कार्यक्रम का शुभारंभ मुख्य अतिथि मेरठ जिले के

परियोजना विकास अधिकारी एम.एल.व्यास, वाइस चेयरमैन पुनीत अग्रवाल, निदेशक डॉ. आलोक चौहान, प्रिंसिपल डॉ. हिमांशु शर्मा, मेरठ उद्यमी फाउंडेशन की इंचार्ज सुची मेहरा, इनक्यूबेशन मैनेजर रेहान अहमद

एवं सुशील शर्मा ने संयुक्त रूप से दीप प्रज्वलित कर किया।

परियोजना विकास अधिकारी एम.एल.व्यास ने कहा कि महिलाओं को आत्मनिर्भर होने के लिए स्वयं सहायता समूह एक बेहतरीन योजना है। महिलाओं को इस योजना से जुड़कर अधिकाधिक लाभ उठाना चाहिए।

"बिजनेस नारी- ग्रामीण उत्थान की एक नई पहल" कार्यक्रम में

मेरठ के 12 ब्लॉक से विभिन्न गांव से 250 से अधिक स्वयं सहायता समूह की महिलाओं ने अपने उत्पाद के स्टाल लगाए। स्वयं सहायता समूह की महिलाओं ने घरेलू उद्योग से संबंधित जैसे अचार, मुरब्बा, फूल गमला, पापड़, कान्हा ड्रेस, हर्बल शॉप, गुलाल आदि के स्टाल लगाकर अपने द्वारा घर में ही किए जा रहे कार्यों का प्रदर्शन किया। कार्यक्रम में वंदना यादव ने

महिलाओं को मशरूम की खेती करने के टिप्स दिए। उन्होंने बताया कि गांव में हर जगह गोबर की खाद आसानी से मिल जाती है और जगह की भी कोई कमी नहीं होती। इस प्रकार महिलाएं मशरूम की खेती करके आर्थिक रूप से मजबूत हो सकती हैं। साहिल ने महिलाओं को जैविक खेती करने के टिप्स दिए। उदयवीर ने मधुमक्खी पालन के बारे में बताएं। डॉ. सुधीर सिंह ने

घरों में औषधीय पौधों की जानकारी देते हुए बताया कि औषधीय पौधों से रोजगार के नए अवसर प्रदान कर सकते हैं।

कार्यक्रम में मेरठ उद्यमी फाउंडेशन की सुची मेहरा, इनक्यूबेशन के मैनेजर रेहान अहमद, डॉ. स्वपन सुमन, सुशील शर्मा, राजेश कुमार वर्मा, साक्षी गोयल, मेघा यादव आदि का सहयोग रहा।

## Quarterly Report

Jan, Feb & March 2022

**UBA Coordinator's Name: Dr. Himanshu Sharma**

**Email: himanshu.sharma@mitmeerut.ac.in, Phone Number: +91-9837717212**

## INTRODUCTION

This quarterly report is for the month of January, February & March 2022. It is designed to provide an update on progress during this quarter towards achievement of Institution's Objectives towards community Development. This report provides the progress and updates regarding the programs conducted by the institution in the various developmental domains, following are the adopted villages where the programs were executed.

Sr. No.	ADOPTED VILLAGES	TALUKA	DISTRICT
1	Arnawali	Block -Rohta	Meerut
2	Bisola	Block –Mawana Kalan	
3	Jataula	Block-Rohta	
4	Khirwa Jalalpur	Block-Sarurpur Khurd	
5	Mor Kalan	Block-Hastinapur	

## OVERVIEW of the QUARTER

The last quarter was good for the institution's initiatives, as the area was open from COVID restrictions and we were able to execute multiple programs during this period. Our priority was to make awareness and provide solution to the problem faced by the community.

In this tenure we executed the following programs:

- Pre-Election Voter Awareness Week (PEVAW)
- Save the Soil
- Baal Vikas

The focus was to make the community aware about the above issues and develop the required mindset in today's challenging environment.

## **Pre-Election Voter Awareness Week (PEVAW)**

**UBA initiative**  
**Theme: Public Awareness**  
**Meerut Institute of Technology**

**Dates: 17<sup>nd</sup> Jan to 22<sup>th</sup> Jan, 2022**

**Village: Adopted Village**

Team MIT UBA took a step forward towards the awareness regarding the individual's voting rights on 2022. A Pre-Election Voter Awareness Campaign was aimed at sensitizing voters about the importance of participating in the electoral process as a way to ensure a responsive, accountable and democratically elected government. In a democracy, a free and fair vote is the fundamental tool through which citizens can express their political preferences and developmental wishes. However, in representative forms of democracies, merely casting the vote may not be adequate to hold the elected officials and the executive accountable or to foster a responsive and transparent government. Therefore, providing voters with information on the electoral process, political parties and their manifestos, poll antecedents of the candidates etc. are necessary to educate them prior to the polling day is critical to enable them cast an enlightened and informed vote. The PEVAW aims to precisely do that i.e. to provide

Such critical information and in doing so, create better-informed, more motivated citizenry and, ultimately, a more responsive, transparent and accountable government.

The PEVAW can be conducted with the following as objectives at its core:

- Ensure access to information to help people make an informed choice.
- Increase awareness of the election process and of voter rights.
- Help ensure that the issues of citizen concern are part of the campaign agenda.
- Promotion of candidates who will be responsive and accountable.
- Provide particular support to promote the participation of women and marginalized groups.
- Create an environment conducive to for holding free and fair elections, with a focus on maximum participation of citizens.
- Act as a watchdog of electoral practices, to ensure there is no electoral manipulation, corruption, or violence

# Save the Soil

UBA initiative

Theme: Education- Sustainable Agriculture Practice  
Meerut Institute of Technology

Date March, 18, 2022

Villages: Bisola and Jatola

Farmers Engaged:25

The respective village UBA teams has identified that the farmers were facing the problem of under production. The institution sent a team of domain experts from the agriculture Department which identified the possible reason for the problem, which are as follows

- Intensive cropping
- Lack of awareness about soil testing
- Over doses of Macro Fertilizers
- Lack of awareness for micro nutrient fertigation

Save the Soil Campaign was initiated with focus on soil rejuvenation, and crop productivity enhancement for sustainable and environment friendly practices. The campaign promotes soil testing, reclamation & conservation, balanced & integrated application of nutrients, water resource development & conservation, inclusion of pulses in the cropping system, crop diversification, farm mechanization etc.

The campaign would be a major success and farmers can expect increase in the yield across crops, improved soil health and implementation of improved & sustainable farm technologies.

# **BAL- VIKAS**

**UBA initiative**  
**Theme: Child Health and cleanliness**  
**Meerut Institute of Technology**

**Date: Feb, 22 , 2021**

**Village: Arnawali**

**Farmer Engaged: 50**

The Wealth of a nation is not so much in its of economical and natural resources but it lies more decidedly in the kind and quality of the wealth of its children and youth. It is they who will be the creators and shapers of a nation's tomorrow.

With the motive of overall development of children. Last year the institution started the program of BAL-VIKAS which is spreading awareness to general public regarding child physical and mental health.

The children were sensitized about the importance of washing their hands before and after eating and exercising daily and the importance of playing sports and inculcating other healthy habits to avoid falling sick. They were told about balanced diet, cleanliness and maintaining oral and personal hygiene. The children were asked to share their daily routines and the steps they took every day to maintain hygiene. The children learnt a lot from the session and promised to follow all the good habits.

## EXPENSE REPORT

SNO	Date	Program Name	Village	Promotional Material	Refreshments	Total (Rs.)
1	17 <sup>nd</sup> Jan to 22 <sup>th</sup> Jan, 2022	Pre-Election Voter Awareness Week (PEVAW)	Adopted villages	3000/-	1000/-	4000/-
2	Feb, 22 , 2021	BAL- VIKAS	Arnawali	1000/-	4000/-	5000/-
3	Date March, 18, 2022	Save the Soil	Bis Bisola and Jatola	1500/-	1000/-	2500/-
Total (Rs.)						11500/-

## Annexure 1

Theme of visit: **Creating awareness among students and their parents regarding resuming offline/physical classes during COVID-19 period.**

On 26<sup>th</sup> February, 2022, we have visited the schools situated in nearby areas of the adopted villages (Janasu, Pharasu, Dungri Panth and Kaliyasaud) under Unnat Bharat Abhiyan (UBA). In the schools, we had meetings with the school principals and faculties where we tried to understand the problems and various potential amongst the students. We also interacted with the students and tried to make them understood the importance of science and technology as well as the role of mathematics in developing one's life. We also clarified some of the doubts raised by the students regarding small starts-up involving science and technology based upon their subject matter. In the meetings with the principals and faculties, we also convince them to bring their students to our college for the laboratory visits. Moreover, we have made a plan to organise science exhibitions on regular basis so that the students may involve in this activity and tries to develop some models and also tries to express himself in front of some subject experts.

Some of the photos taken during our recent visits

Sr. No.	ADOPTED VILLAGES	TALUKA	DISTRICT
1	Dhanuari	Roorkee	Haridwar
2	Rasoolpur		
3	Jasawa wala		
4	Kutubpur		
5	Daulatpur		

#### List of Activities:

We have identified and proposed five new villages in place of the above-mentioned villages. A proposal in this regard has already been submitted on 22<sup>nd</sup> March, 2022 to the National Coordinator, UBA with a request for approval for change in the name of villages proposed earlier. The details of the proposed new villages is as follows-

S.No	Name of Adopted Villages	Name of Blocks	District	State
1.	Udpalta (उद्पाल्टा)	Kalsi	Dehradun	Uttarakhand
2.	Rani Pokhari (रानी पोखरी)	Doiwala	Dehradun	
3.	Itharna (इठारना)	Doiwala	Dehradun	
4.	Rakhwal (रखवाल)	Doiwala	Dehradun	
5.	Boodpur (बूड़पुर जट)	Narsan	Haridwar	

A response from the National Coordinator UBA on change of villages is awaited. Once approved, further action will be taken at our end as per the UBA guidelines.

S.No.	Adopted Village	Block	District
1.	Basani	Haldwani	Nainital
2.	Matiyal	Dhari	
3.	Saur	Kotabagh	
4.	Sawalde	Ramnagar	
5.	Vijaypur	Haldwani	

### **List of Activities:**

#### **Activity 1.**

**Title of Activity:** Awareness campaign for Covid-19 and Health and Nutrition in village BASANI

**Need of Activity:** To create awareness among students.

Brief Description: UBA team has visited Primary and Junior High School, Basani of village and conducted awareness campaign for COVID- 19 among students and discussed with teachers about awareness among students and parents regarding vaccination. Masks and sanitizers have also been distributed among students.

Team has also created awareness for nutrition, personal hygiene, cleanliness and health related issues and organized an interactive session among students.

In school, UBA team has organized a quiz competition among students to create the awareness about COVID- 19 pandemic and also about awareness for the conservation of environment. Students enthusiastically participated in the programme on covid-19 awareness, water conservation, and plantation. To

encourage students for participation in competition, prize distribution is done by team along with Gram Pradhan.

## Activity 2.

**Title of Activity:** Plantation program

**Need of Activity:** To create awareness among stakeholders.

**Brief Description:** In adopted village a survey has been conducted among the villagers regarding plantation programme which will be beneficial for their livelihood and to sustain village ecosystem. In **Basani** village, farmers are interested in planting fruit trees as good market value and it is good source to sustain livelihood. To promote plantation among villagers seedlings of Mango, Amla, Litchi and Ashwagandha, Sarpagandha, Cheura have been distributed by UBA Team along with project team of ABG Scheme project funded by BSI Calcutta and MoEF, New Delhi.

# बसानी गांव का भ्रमण

**शाह टाइम्स संवाददाता**  
**नैनीताल।** कुमाऊँ विश्वविद्यालय उन्नत भारत अभियान और एबीजी शोध परियोजना के संयुक्त तत्वाधान में गोद लिए गए ग्राम पंचायत बसानी हल्द्वानी का टीम द्वारा भ्रमण किया गया। उन्नत भारत अभियान के अंतर्गत कुमाऊँ विश्वविद्यालय द्वारा पांच गांव गोद लिए हैं। टीम द्वारा राजकीय प्राथमिक विद्यालय और राजकीय पूर्व माध्यमिक विद्यालय बसानी में विद्यार्थियों को स्वस्थ भारत अभियान की जानकारी दी गई तथा दोनो स्कूल को सैनिटाइजर तथा सभी छात्र-छात्राओं के लिए मास्क उपलब्ध कराए टीम ने गांव की समस्याओं की जानकारी ली तथा अभियान की जानकारी साझा की। प्रो. ललित तिवारी निदेशक शोध एवं प्रसार द्वारा स्वस्थ भारत अभियान के लिए अच्छा पोषक आहार लेने के लिए विद्यार्थियों को जागरूक किया गया। डा. नीलू लोधियाल समन्वयक उन्नत भारत अभियान द्वारा विभिन्न पोषक आहार की जानकारी दी गई तथा उन्होंने कहा कि बच्चे पोषक आहार लें। डा. सुषमा टम्टा द्वारा अच्छे

स्वास्थ्य की लिए सफाई पर जानकारी दी गई। डा. नंदन सिंह बिष्ट द्वारा ग्राम प्रधान के साथ विद्यालय के उत्थान के लिए योजना एवम कार्यों की जानकारी दी गई। उन्होंने जिलाधिकारी कार्यालय द्वारा स्कूल की छत हेतु तीन लाख रुपया दिए जाने की बात भी रखी प्रो एल एस लोधियाल ने विद्यार्थियों को पर्यावरण संरक्षण के प्रति जागरूक किया गया। ग्राम प्रधान विमला तरागी ने टीम को धन्यवाद दिया गया तथा गांव की मुख्य समस्या मोबाइल टावर का नही होना और राजकीय विद्यालय के उच्चीकरण के

प्रस्ताव को टीम के सामने प्रस्तुत किया गया। बसानी पटवाडंआगर रोड को शीघ्र पूर्ण करने की मांग भी की। टीम द्वारा इस समस्या के निदान हेतु सकारात्मक प्रयास करने का आश्वासन दिया। उन्नत भारत टीम द्वारा पूर्व में विद्यार्थियों के लिए आयोजित पोस्टर प्रतियोगिता के विजेता प्रतिभागी विद्यार्थियों ममता, निशा, मनोज, तरुण देवेन्द्र, कुंदन, मयंक दीक्षा हिमांशु, प्रियांशु, तनुज, मानसी को पुरस्कृत किया गया, एवं आम, लीची, आंवला, हिमालयन पाम, चयूर के वृक्षारोपण भी किया गया।

#### List of Activities:

#### ACTIVITY 1:

**Name of Activity: Gramsabha for Entrepreneur**

**Need of the Activity:** Enterprise doesn't just infer having the option to begin and deal with your own business yet it likewise helps the economy from multiple points of view. First of all, it contributes incredibly to the GDP of the nation as enterprise principally includes the generation and supply of products and ventures in light of a benefits rationale.

A business person likewise creates jobs in the economy and aides in lessening joblessness just as in improving the way of life of the individuals.

Approaching whether there is a requirement for business enterprise in the nation resembles asking whether you need air to endure

**Description 200 words (along with the Pictures):** Close around 80 understudies and 15 teachers and supporting staff member made this drive conceivable. We went the above mentioned villages the intent to direct them about the Entrepreneurship in order to improve their Livelihood.

#### List of Activities:

##### ACTIVITY 1:

Title of the Activity: One week workshop on Agarbatti Making, 17-21 January, 2022.

Need of the Activity: Capacity Building among Rural Women to establish their own Business Enterprises.

Brief Description (Need/Impact/Action/Picture (if any)): A one week workshop on Agarabatti making was conducted in the Shishamwada Village during 17-21 January, 2022. In this workshop, women from 5 different self-help groups (SHGs) participated and learned the entire process of preparing, packaging and marketing Agarabatti, Dhoopbatti and Hawan Samagri. This workshop was conducted with the help of professionals from Multi-Disciplinary Training Centre (MDTC) of Khadi and Village Industries Commission (KVIC) situated in Dehradun.

Participants from 'Shakshi' SHG have expressed their willingness to establish a community enterprise for these manufacturing activities.

## ACTIVITY 2:

**Title of the Activity:** Interaction with the Members of Gram Panchayat of Rudrapur Village, 03-Mar-2022.

**Need of the Activity:** Contextual analysis of the village.

**Brief Description (Need/Impact/Action/Picture (if any)):** A meeting with the Members of Gram Panchayat of Rudrapur Village was conducted on 03-Mar-2022. The main objective of this meeting was to identify strengths, competencies, possibilities and challenges related to the development of community members residing in the village. Villagers shared their current activities and discussed their future plans to improve their livelihood and quality of life.

## ACTIVITY 3:

**Title of the Activity:** A Seminar on "Role of Women in Community Development," 08-March-2022.

**Need of the Activity:** Building and Strengthening Social Capital in adopted Villages

**Brief Description (Need/Impact/Action/Picture (if any)):** This seminar was conducted on the occasion of International Women's Day, 08-March-2022 with an objective to identify The Role of Rural Women as Social Capital in various community development activities. Smt Seema Negi, Block Prmaukh of Sahaspur Block also shared her views on women empowerment and their role in Decision Making.

**Next action plan:**

Sr. No.	Activity to be conducted (along with reason)
1	Implementation of UBA Projects.
2	Interaction with the farmers to encourage them for adoption of Natural Farming and other innovations to improve their incomes.
3	Formation of teams, SHGs, FPOs etc. to support villagers in their pursuit for over all development.
4	Interventions to improve Access to Technology, Knowledge and Financial Institutions.

24<sup>th</sup> January every year is celebrated as Uttar Pradesh Diwas. This decision was taken in 2017 and first UP Diwas was celebrated in 2018. To mark this day an online quiz competition was organised by School of Agricultural Science & Engineering in association with IQAC, IFTM University, Moradabad.

The theme of online quiz competition was “आज़ादी का अमृत महोत्सव एवं चौरी चौरी शताब्दी समारोह”

On the successful organization of this quiz competition the honorable Vice Chancellor of IFTM University Prof. M.P. Pandey congratulated the participants and said that quiz competitions are very good way to make students aware about history of fighting for independence. Registrar Prof. Sanjeev Agarwal appreciated that IFTM

University is playing an important role in uplifting the youth by organizing such events and will continue to do that in future also.

Total 52 students of different schools of IFTM University participated in the event. The winners of the event were as follows:

<b>Sr. No.</b>	<b>Name Student</b>	<b>School</b>	<b>Position</b>
1.	Mugheesul Azeem	Pharmacy Academy	First
2.	Aman Sharma	School of Computer Science and Application	Second
3.	Tanya Saxena	School of Business Management	Third

**Outcomes-** The students came to know about different questions related to Uttar Pradesh and Chauri-Chaura incident.

If we wish to sustain agriculture and human health, we have to increase the utilization of microorganisms in agricultural production system. ICAR has established a National Bureau on Agriculturally Important Microorganisms in Mau. In order to make our students realize the importance of microorganisms a one day National Webinar was organized by School of Agricultural Sciences & Engineering on 04.02.2022. The topic of the seminar was: Microbes based agriculture: A way forward in sustainable and healthy growth. Main speaker of this webinar was Dr. Sanjay Kumar Goswami, Senior scientist, ICAR- Indian Institute of Sugarcane Research, Lucknow. Dr. Goswami presented his views on the topic and stated that how we can utilize the microorganisms in sustainable

agriculture and for safeguarding the health of humans by avoiding the use of harmful chemicals. Honourable Vice-Chancellor of IFTM University, Prof. M.P. Pandey said that during this tough pandemic we have to boost up our immunity we should consume healthy food and microorganisms plays a very important role in production of quality food. Registrar Prof. Sanjeev Agarwal said that these webinars plays a very important role in overall development of students as well as farming community. Total 122 participants registered in the webinar.

**Outcomes:** Students come to know about the importance of microorganisms in agriculture.

Organized

**SUHAVAN - 2022 "FARMERS' FAIR"**

**March 02 - 03, 2022**

## **Detail of Event:**

Two days **Suhawan 2022** Farmers' Fair was organized by the School of Agricultural Sciences and Engineering on 02-03 March, 2022. The organizing committee consisted of the following faculty members:

1. Dr. Virendra Singh, Chairman, School of Agricultural Sciences and Engineering
2. Dr. Krishan Pal & Dr. Ramesh Pal, Co Chairman, School of Agricultural Sciences and Engineering
3. Dr. Saurabh Sharma, Convener, School of Agricultural Sciences and Engineering
4. Dr. Sulekha, Co-Convener, School of Agricultural Sciences and Engineering

## **Day-1**

Kisan Mela was inaugurated by Prof. Sanjeev Agarwal, Registrar, IFTM University along with Mr. S.K. Gupta, Deputy Director, Horticulture and Mr. Gaya Prasad, District Horticulture Officer, Moradabad. The program started with garlanding of Maa Saraswati followed by lamp lightening and a brief welcome address by the Registrar sir Prof. Sanjeev Agarwal. More than 50 stalls from different part of the state participated in this

event. The farmers of adopted villages along with the nearby villages have also participated with the great zeal. All the stalls were visited by the dignitaries and stall were also evaluated on the basis of different criteria and also awarded with certificates accordingly.

After the inaugural ceremony a method demonstration on the topic of “**Dana Dana Keemti Hai**” was demonstrated by the United Phosphorus Ltd. Company’s official Mr. Abhishek Sharma and his team.

During the Kisan Gosthi farmers were informed about various Agriculture, Horticulture and Soil science departmental schemes. District Horticulture Officer and Deputy Director, Horticulture briefly addressed the farmers about the importance of diversified agriculture to improve the soil health as well as nutritional security in our diet and role of polyhouse, greenhouse in off season’s vegetable, flower production and other agricultural activities.

Dr. Virendra Singh, Director, SASE delivered a lecture about various teaching, research and extension activities undergoing in the school.

The models presented by students on latest and burning issues of agriculture gained everyone’s attention and visitors and jury highly appreciated their efforts.

## ***Day-2***

Second day kisan goshthi session was started at 10:30 AM and Sh. Rajkumar, A.D. Soil Science discussed about the importance of soil testing and soil health card. He also stated how soil testing is important for organic farming. After that Sh. Gajendra Kumar Jain, Dy. General Manager, Indian bank discussed about the beneficial schemes for the farmers, how farmers can be benefited with bank’s schemes and what are the precautions one should have while submitting his proposal to the bank.

Sh. Yashveer Singh, Field Officer, IFFCO emphasized on the use of **Nano Urea**, he described about the concept of Nano Urea and how it can be beneficial for the farmers and to save the economy also. In this session farmers have shown their keen interest and session remained very interactive. In continuation of activities, Dr. Deepak Kumar, Technical Officer, Soil Water Conservation Department, Moradabad addressed the farmers and explained the importance of healthy soil in successful crop production. Mr. K.K. Bansal, Additional Director, SASE, Presented mementoes to all experts of different sessions.

The valedictory session was graced by the benign presence of Hon'ble Vice Chancellor, IFTM University, Prof. Mahendra Prasad Pandey along with other key officials of IFTM University. Prof. Pandey highly appreciated the event and distributed certificates to all the participants and rank holders in different categories. Vice Chancellor Sir appreciated the efforts of everyone who was directly or indirectly associated with the event. The program ended with vote of thanks proposed by Dr. Krishan Pal, HoD, School of Agricultural Sciences & Engineering.

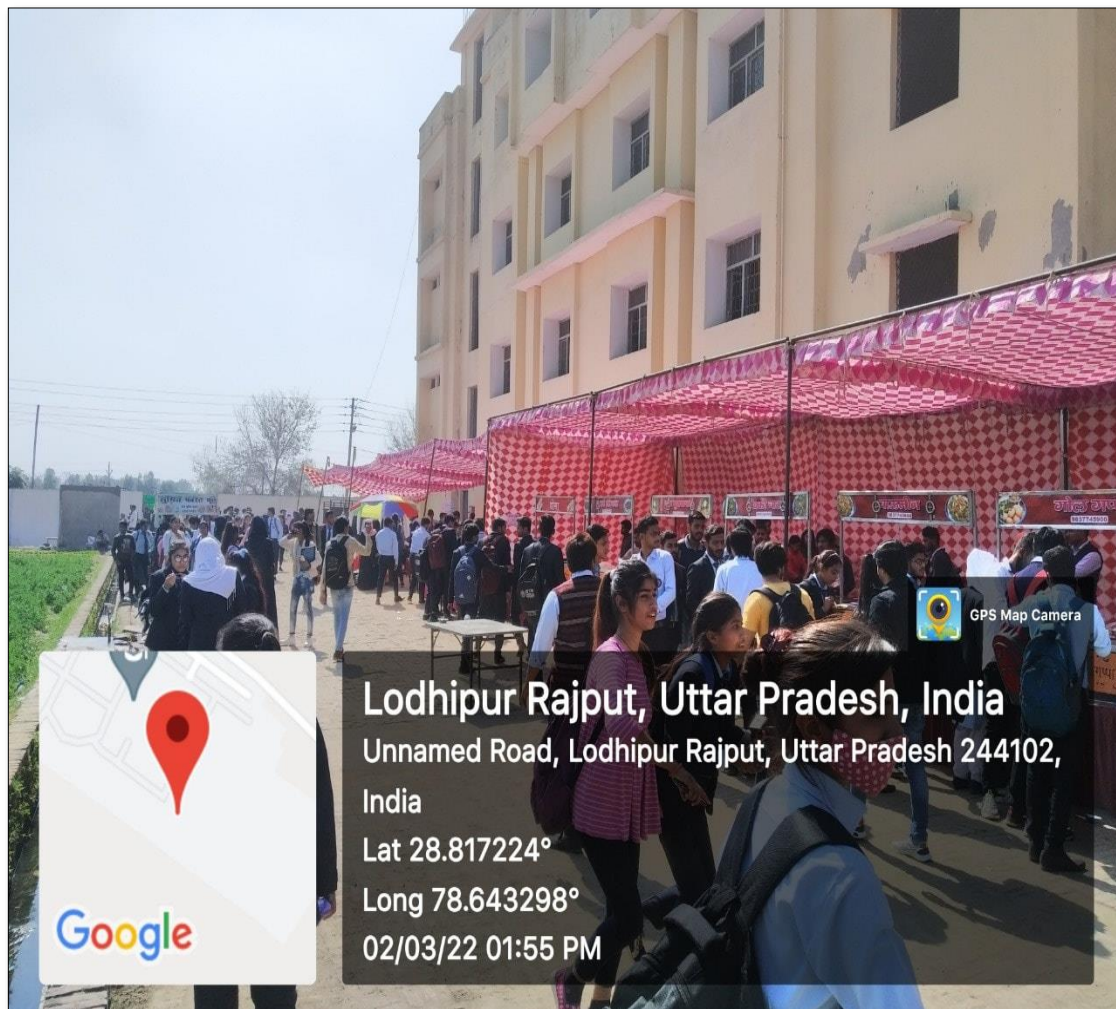

### **Purpose and Outcome**

The main purpose of Kisan Mela was to create awareness and have face to face interaction with the farmers. Big gathering of people from different disciplines of agriculture came to attend the mela from different parts of district. The visitors included mainly the agricultural scientist, students, executives of various private seed and pesticide companies, employs of state agriculture departments and progressive farmers with the believe that the only way of receiving information is spreading and sharing knowledge.

**IFTM UNIVERSITY, MORADABAD**  
NAAC ACCREDITED

**School of Agricultural Sciences & Engineering**  
Organizes  
**“Poster Making Competition”**  
On the occasion of  
**“WORLD WATER DAY”**  
22 March, 2022  
02:30 PM to 03:30 PM  
Venue: Room No. 125, SASE

Co-Convenor <b>Mr. Abhay Saini</b> Asst. Professor, SASE	Convener <b>Dr. Sulekha</b> Asst. Professor, SASE	Organizing Secretary <b>Mrs. Richa Khanna</b> Asst. Professor, SASE	Co-Chairman <b>Dr. Krishan Pal</b> Head, Agricultural Sciences	Chairman <b>Dr. Virendra Singh</b> Director, SASE
--	---	---	--	---

**“Designing posters, for me, is not only a commercial pursuit but also a philosophical endeavor.” – Fang Chen**

Water is the driver of life and without water we cannot imagine any form of life on earth. Agriculture is no longer an exception to this statement as water is a key factor for successful crop production. In order to mark the importance of this day a Poster Making Competition was organized by SASE on 22.03.2022. The students poured their creativity on paper and decorated it with beautiful colors and gave the message that “Water is Life”, so we must save it. 25 students of B.Sc. Agriculture and B. Tech. Agricultural Engineering participated in the event. The students prepared the posters as well as presented it in front of the judges and explained their views. The program was organized by Mrs. Richa Khanna, Mr. Abhay Saini and Dr. Sulekha. Director SASE, Dr. Virendra Singh, Additional

Director SASE, Mr. K.K. Bansal and HoD Dr. Krishan Pal and Ramesh Pal appreciated the students. The Hon'ble Vice Chancellor, IFTM University, Prof. Mahendra Prasad Pandey and Registrar, Prof. Sanjeev Agarwal appreciated this event and gave blessings to students. The winners were awarded and certificates were distributed to all participants on 28.03.2022. The prize distribution ceremony was graced by presence of Prof. Y.V. Singh and Prof. Dheer Singh.

**The winners of the event are as follows:**

S. No.	Name of student	Position
1	Akshat Kumar (B.Sc. Ag VI sem)	First
2	Abhishek Kumar (B.Sc. Ag VI sem)	Second
3	Nikhil Behl (B.Sc. Ag II sem)	Third
4	Ravi Saini (B.Sc. Ag II sem)	Fourth
5	Vardaan (B.Sc. Ag IV sem)	Fifth

**Purpose:** To make students aware about importance of water and what all measures are needed to preserve and conserve it.

**Outcomes:** The students depicted their views on water conservation and its importance through posters. It developed their creativity and imagination power and they realized that it is very important to save water.

2	SIRON		
3	KATHOOD		
4	DEVALDHAR		
5			

#### List of Activities:

##### ACTIVITY 1:

In Uttarakhand, our institute is located in the Hilly region. Most of the villages we adopt are located between one and three kilometres away by road and reachable only on foot. With the help of staff and faculty, students visited adopted villages to spread awareness about the Legislative election & its importance.

##### ACTIVITY 2:

As the adopted villages are difficult to reach, still students along with faculty and staff visited the villages and teach basic computer skills to students living in villages, as well as provide information about government schemes that will benefit the residents' viz. *e-Shram Card* and its benefits etc.

#### Action plan for next month:

Sr. No.	Activity to be conducted(along with reason)
1	In the upcoming months, volunteer students along with faculty and staff are planning to spread awareness about the <i>Vradha Pension Scheme</i> , <i>Widow Pension Scheme</i> so that the villagers directly get benefits from the government.
2	Awareness Program for Covid vaccine booster dose for senior citizen

## UNNAT BHARAT ABHIYAN

2	Pawatalla		
3	Kotnal gaon		
4	Lawali		
5	Paniya		

#### List of Activities:

##### ACTIVITY 1:

##### Name of Activity:

**Need of the Activity:** To motivate villagers and gram Pradhan to maintain hygiene and cleanliness in the village.

##### Description in 200 words (along with the Pictures):

The villagers mentioned that they were busy in their daily farming activities along with cattle farming thus can't found time for cleanliness. We motivate the villagers to go for routine health check-up organized by PPP mode running hospital of Inderesh in the Pauri. Medical mobile van is coming weekly for routine health check-up near to village. The villagers are unaware of that thus we informed all of them.

We also emphasize and gave awareness about postal ballot for 80 plus and PWD candidate as per guidelines of

##### ACTIVITY 2:

##### Name of Activity:

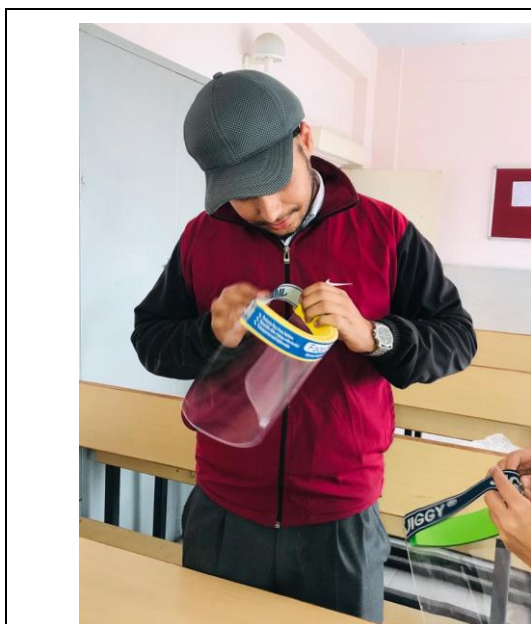

**Need of the Activity:** Preparation of face shield to protect from COVID - 19.

##### Description in 200 words (along with the Pictures):

The college is reopened for first year students after long time and students thus motivated to fabricate face shield to protect from COVID – 19.

Water storage tank prepared as suggested.

Action plan for next month:

Sr. No.	Activity to be conducted(along with reason)
1	To visit primary school for promoting girl's education.
2	To invite MLA Pauri for motivating villagers about government schemes for villages.
