Dear All,

**The MOST URGENT**

This is regarding the Rajya Sabha Provisionally Admitted Starred Parliament Question Diary No. S5273 on "Promotion of Women in STEM" due for answer on 7.08.2025. The PQ is reproduced below

Rajya Sabha  
Ministry: SCIENCE AND TECHNOLOGY  
Sitting on: 7/08/2025  
Question Type: STARRED  
D.No : S5273

**Promotion of Women in STEM**

- the steps taken by the Ministry under the 'Vigyan Jyoti' and 'GATI' schemes to promote gender parity in science and research institutions;
- the number of girl students and women researchers who have benefited from these initiatives since 2022; and
- the manner in which these schemes are being scaled up across States and institutions for wider impact?

Inputs for the above question in respect of your institution for GATI initiative (including NIL inputs) may kindly be sent to us by 29th July, 2025 (Tuesday) by 5:00 pm. The input may kindly be sent to the undersigned, with cc to Dr. Umesh Kumar Sharma (uk.sharma@nic.in) and Dr. Susheela Negi (susheela.n@nic.in).

## Answer 6:

**(a) The steps taken by the Ministry under the 'Vigyan Jyoti' and 'GATI' schemes to promote gender parity in science and research institutions:**

- **GATI (Gender Advancement for Transforming Institutions):** Launched as a pilot by the Department of Science and Technology (DST), GATI is aimed at promoting gender equity in science and technology through institutional transformation. IIT Roorkee joined as one of the 30 pilot institutions after submitting a rigorous Expression of Interest and signing the GATI Charter. Key steps taken:
  - Formation of GSAT (GATI Self-Assessment Team) at core and departmental levels with balanced gender representation.
  - Introduction of policies such as two-year age relaxation for women faculty in Institute Research Fellowships (IRFs).
  - Inclusion of diversity and inclusion commitments in all recruitment advertisements.
  - Formation of a Diversity and Inclusion Committee (DInC) to promote campus-wide awareness and initiatives.
  - Regular seminars on entrepreneurship, skill building, and financial independence for women.
  - Collection of gender-related data across departments for performance tracking and institutional reporting.
  - Launch of female-focused fellowships and awards like **SAKUNTALA** (for direct PhD admission without GATE) and **Golden Girl Scheme** (for Gold Medalist women from top-ranking institutes).
- **Vigyan Jyoti:** Launched alongside GATI in February 2020, it aims to inspire girls from schools (especially Jawahar Navodaya Vidyalayas, Kendriya Vidyalayas, and government schools) to take up STEM subjects. Key steps taken:
  - IIT Roorkee partnered with JNVs as a knowledge partner to conduct motivation and sensitization sessions for girls.
  - Special pre-counseling sessions were organized to inform girls about different engineering branches and campus life.
  - **Between 2022- 2025, Approximately 100 girls have visited IIT Roorkee and many have attended online sessions conducted by Vigyan Jyoti nodal officer and students of IIT Roorkee.**
- **AROHI Child Care Center:** Enhanced access to academic spaces for girls (24/7) and institutional childcare support through the Aarohi Centre.

**(b) The number of girl students and women researchers who have benefited from these initiatives since 2022:**

- Multiple schemes such as the **Golden Girl Scheme**, **SAKUNTALA Fellowship**, and **Women-specific awards** have been launched by IIT Roorkee post-GATI implementation in 2023.
- **The number of admissions under golden girls and Sakuntala Scheme.**
  - The total number. of girls admitted students under the Golden Girl' Scheme: **26 Students**
  - The total No. of girls admitted students under the SAKUNTALA Fellowship: **11 students**
- **Number of Women Faculties who have received the Institute Research Fellowship (IRF) between 2022 – 2025: three**
- **Number of beneficiaries of the awards constituted specifically for women: 232 Students**

**(c) The manner in which these schemes are being scaled up across States and institutions for wider impact:**

- **Scaling of GATI:**
  - From a pilot phase involving 30 institutions, GATI is evolving into a structured framework that other institutions can adopt through mentorship and best practice sharing. IIT Roorkee was mentored by King's College London, indicating a scalable peer-learning model.
  - The initiative is being aligned with NAAC and NIRF frameworks to make it part of institutional evaluation and recognition, thereby incentivizing other institutions to adopt it.
- **Scaling of Vigyan Jyoti:**
  - By involving centrally funded schools (JNV, KV), the programme ensures wide geographical outreach.
  - IIT Roorkee's role as a knowledge partner sets a precedent for other IITs and technical institutions to replicate similar outreach models in their regions.
- **National Collaborations:**
  - IIT Roorkee has been designated as a **Lead Knowledge Institute by SETU Aayog** to promote women's participation in STEM.
  - The institute received the **CII Award for Excellence for Women in STEM (2024)**, further amplifying its role as a model for national adoption.

Admitted Rajya Sabha Unstarred Question No. 1316 (Diary No. 2239) to be answered on 11.02.2026 regarding "Occupancy of seats in IITs"										
Sl. No.	Name of Institution	Details of MBA seats in each IIT	Number of seats not filled during the last five years, year-wise			whether it is true that IITs are not able to fill in MBA seats in its institutions:	whether it is also true that, on an average, 30 percent MBA seats remained vacant in various IITs:	if so, the reasons, thereof;	what are the reasons that students are taking admissions in private business schools, but are not interested to join MBA	
			Sanctioned	Filled	Vacant					
7	IIT Roorkee		2021-22	95	78	17	Yes, IITs follow a strict academic calendar, with registration dates announced about six months in advance. The admission cycle is limited and highly regulated. Some students take more time to decide and later opt for IIMs, but IIT Roorkee does not allow delays. However, the admission process follows a fixed and parallel timeline.	NO	Not applicable	It is not appropriate to say that students prefer private business schools over IITs; however, many students may choose to take admission in the newer IIMs instead of IITs. This is largely because students are attracted to the strong brand value of the IIMs, while IITs are often perceived as institutions primarily known for technological advancement. Additionally, promotional activities for management programs within the IIT system are relatively limited, which may result in lower visibility and awareness of their MBA programs. As a result, students who are not actively researching leading business schools may be influenced by social media narratives and popular perceptions. In contrast, students who are serious about high-quality education and multidisciplinary exposure tend to engage more deeply with MBA programs offered by IITs.
