

How to login to the New Email System

Go to

<https://newwebmail.iitr.ac.in>

2. Enter your credentials as shown below

The screenshot shows the login interface for IITR Email. At the top left, there is a logo for 'Email IITR' and a 'HOW TO's' link. A central banner reads 'Welcome To IIT Roorkee Email Services' with a quote: '“Action Is The Foundational Key To All Success.”'. Below this is a 'Login' section with two input fields: 'Enter Email' and 'Enter Password'. A 'Forgot Password' link is positioned between the fields. An orange 'Login' button is at the bottom of the login section. Three yellow callout boxes with red borders and numbered circles provide instructions: 1. 'Enter full Email id with domain name i.e. xyz@iitr.ac.in' pointing to the email field; 2. 'Enter password' pointing to the password field; 3. 'Click Here' pointing to the 'Login' button. The background of the page features a collage of IITR-related items like a book, pens, a keyboard, and a mouse. A 'UserCP' label is visible in the top right corner.
