need to enter  
Meeting  
URL

The screenshot shows a mobile application interface for joining a meeting. At the top, there's a status bar with icons for camera, phone, Wi-Fi, LTE, and battery, along with the time 4:28. Below this is a header bar with a back arrow, the title 'Join Meeting', and a green 'JOIN' button. The main content area has a text input field containing the URL 'ps://iitroorkee.webex.com/join/vishalrajak' with a close icon (X) to its right. Below the input field, there's instructional text: 'If you are invited to a Personal Room, you can enter the URL.' followed by a template 'company.webex.com/meet/username'. There are two more input fields: one for the meeting ID 'meetvishal90' and one for the email address 'meetvishal90@gmail.com'. At the bottom, there's a navigation bar with three icons: a triangle, a circle, and a square.
