For Live streaming you need to click on this option

The screenshot displays the Cisco Webex Meetings application window. The title bar reads "Cisco Webex Meetings | Hide menu bar ^". The menu bar includes "File", "Edit", "Share", "View", "Audio", "Participant", "Meeting", and "Help". The main content area shows "Waiting for others to join" and a central menu with the following options: "Notes", "Polling", "Unlock meeting", "Start live streaming" (highlighted with a black box), "Invite and remind", "Copy meeting link", "Audio connection", "Speaker, microphone, and camera", and "Connect to a device". At the bottom, a toolbar contains icons for mute, video, screen share, chat, participants, and a menu icon (three dots, also highlighted with a black box). The Windows taskbar at the bottom shows the search bar, task view, and several application icons. The system tray on the right indicates the time as 17:42 on 09-07-2020 and shows 5 notifications.

Now you need to login into your account at once

This is the required field which you need to fill accordingly
