

About Third SEEC

The conference, 3rd SEEC, will be organized to promote research and outreach programme in India and abroad through scientific deliberations like keynote addresses, oral and poster presentations. The 3rdSEEC will bring together engineers, scientists, researchers, students, managers and other professionals in order to address and discuss emerging sustainable energy and environmental issues. It will provide platforms for physicist, mathematicians, chemists, engineers and biologist for critical discussion in key areas of energy and environmental sciences. Energy and Environmental sciences research should contribute to understand the major problems in recent days arising due to extensive agriculture, industrial, municipal, transportation, urbanization activities together with climate change in developing countries.

International Society for Energy, Environment and Sustainability (ISEES)

The International Society for Energy, Environment and Sustainability was founded at IIT Kanpur in January, 2014 with an aim to spread knowledge in the fields of Energy, Environment, Sustainability and Combustion. The Society aims to spread knowledge in the above mentioned areas among people and make them more aware about the environmental challenges which the world is facing today.

Indian Institute of Technology Roorkee (IIT Roorkee)

IIT Roorkee is among the foremost of Institutes of National importance in higher technological education and in Engineering, basic and applied research. Since its establishment in 1853 (erstwhile Thomason College of Civil Engineering and University of Roorkee), the Institute has played a vital role in providing the technical manpower and know-how to the country and in pursuit of research. The Institute ranks amongst the best technological Institutions in the world and has contributed to all sectors of technological development. IIT Roorkee has 21 academic departments covering Engineering, Applied Sciences, Humanities & Social Sciences and Management programs with a strong emphasis on scientific and technological education and research.

National Institute of Technology Uttarakhand (NIT Uttarakhand)

NIT Uttarakhand is one of the 31 National Institutes of Technologies in the country. NIT Uttarakhand is established in 2009 under the Act of Parliament by Ministry of Human Resource Development, New Delhi. The Institute offers full time undergraduate and Postgraduate Program in six departments covering Engineering and Applied Sciences. NIT Uttarakhand is also involved in numerous R&D activities funded through various government and private agencies.

Conference Chairs

Conference Important Dates

First announcement of abstract submission	-	20.06.2018
Last date for abstract submission	-	12.08.2018
Author notification of abstract acceptance	-	03.09.2018
Registration begins	-	04.09.2018
Last date for early bird registration	-	29.09.2018

Registration Fees

Date	Before Sep 29, 2018	After Sep 29, 2018
Academicians/Researchers		
ISEES Members (Indian/Foreign)	Rs. 5000/ \$ 200	Rs. 6000/ \$ 250
Non-ISEES Members (Indian/Foreign)	Rs. 6000/ \$ 250	Rs. 7000/ \$ 300
Student Members		
ISEES Members (Indian/Foreign)	Rs. 4000/ \$ 150	Rs. 5000/ \$ 200
Non-ISEES Students (Indian/Foreign)	Rs. 6000/ \$ 250	Rs. 7000/ \$ 300
Industry Representatives		
Indian/Foreign	Rs. 7000/ \$ 300	Rs. 11000/ \$ 400
Workshop (Indian/Foreign)	Rs. 500/ \$ 25	Rs. 1000/ \$ 50

Rs= Indian Rupees and \$=US Dollars

Paper Submission

Sample MS-Word, PDF and LaTeX files of extended is available at the www.iitr.ac.in/thirdseec. The maximum limit for the extended abstract is 4 pages. Authors are requested to submit the paper in prescribed format through: <https://easychair.org/conferences/?conf=3rdseec>. Selected articles in extended form will be considered for publication in journal titled "Journal of Energy and Environmental Sustainability", an official publication of the International Society for Energy, Environment and Sustainability.

Theme Areas

- Atomization and Sprays
- Solar Energy
- Coal and Biomass gasification
- I.C. Engines
- Gas Turbines
- Biomass to Fuels/ Chemicals
- Waste to Wealth
- Environmental Protection and Sustainability
- Waste Water Remediation
- Fundamentals of Combustion
- Energy Saving Light Emitting Materials
- Bio Materials

THIRD INTERNATIONAL CONFERENCE ON SUSTAINABLE ENERGY AND ENVIRONMENTAL CHALLENGES

Dec 18, 2018 – Dec 21, 2018

Indian Institute of Technology Roorkee, India

Organized by:
Indian Institute of Technology, Roorkee
&
National Institute of Technology, Uttarakhand

One Day Post-Conference Workshop on
"Emerging Resources and Technologies for Sustainable Energy"
December 22, 2018
National Institute of Technology Uttarakhand

International Society for
Energy, Environment and Sustainability

E-mail: thirdseec@gmail.com
